40th SEASON AT MASON DIXON DRAGWAY

A MESSAGE FROM ELMER WACHTER
Track Operator

As I enter my **40th season** as the operator of Mason Dixon Dragway, I want to take a moment to thank the racers, their families, our spectators, sponsors, and everyone who has supported this facility throughout the years.

I also want to make one thing perfectly clear:

MASON DIXON DRAGWAY WILL CONTINUE TO BE AN NHRA-SANCTIONED FACILITY.

WHY I BELIEVE IN NHRA

There are many reasons I continue my relationship with the National Hot Rod Association, but the most important are ***RACER SAFETY*** *and* ***INSURANCE PROTECTION.***

- ✔ *Up to* ***$1 MILLION*** *in Excess Medical Coverage for eligible NHRA members.**
- ✔ *Industry-leading* ***SAFETY REGULATIONS*** *developed through decades of real racing experience.*
- ✔ *Rules designed to* ***HELP SAVE LIVES, PREVENT SERIOUS INJURIES,*** *and* ***CONTROL INSURANCE COSTS*** *so facilities like ours can continue to operate.*

Simply put, no other institution or sanctioning body offers the level of health coverage and proven safety program that NHRA provides. It's the best protection available for our racers, and it helps ensure that Mason Dixon Dragway remains a safe, affordable place to race, test, tune, and compete for many years to come.

SOMETHING FOR EVERY RACER

Our season typically runs from March (weather permitting) through November, with a full schedule of racing opportunities for racers of all ages and experience levels.

OUR REGULAR RACING PROGRAMS INCLUDE:

- ✔ ***Super ET*** – Our quickest regular bracket category, allowing racing electronics.
- ✔ ***Pro Driver*** – Competitive bracket racing without electronics.
- ✔ ***Sportsman*** – Another great level of competition.
- ✔ ***Motorcycle*** – A dedicated class for motorcycle racers.
- ✔ ***Jr. Dragster*** – Helping introduce the next generation to drag racing.
- ✔ ***Jr. Street*** – Giving young drivers an opportunity to learn and participate.
- ✔ ***Trophy Racing*** – Available at selected events for racers who enjoy competition without the larger entry fees.

EIGHTH-MILE INDEX CLASSES

5.90 • 6.50 • 7.10

Additional opportunities to compete at Mason Dixon!

OUR QUICK 16 STREET RACE PROGRAM

One of our most exciting programs is our Quick 16 competition during our street racing events.

We take the 16 quickest competitors on the property, and give them a chance to race for a great payday!

JUST $50 ENTRY FEE!

$1,000 to WIN! | $300 Runner-Up | $100 Each Semifinalist

That's an excellent opportunity to race for $1,000 in just four rounds of competition!

SPECIAL EVENTS

In addition to our regular racing, we host a variety of popular specialty events throughout the season, including:

- ***Chrysler Show***
- ***Ford Show***
- ***Volkswagen Meet***
- ***Nostalgia Race***

HOLIDAY WEEKENDS

Our holiday weekends are three-day events, typically giving you

THREE RACES WITH ONE TOW!

MORE RACING, MORE VALUE, MORE FUN!

LOOKING AHEAD

As I enter this milestone season, my goal remains the same as it has always been: to keep Mason Dixon Dragway operating as a place where racers can come to test, tune, compete, spend time with friends and family, and enjoy the sport of drag racing.

I believe in fair competition, providing opportunities for racers at every level, and doing everything reasonably possible to make our sport safer.

I am proud of our association with NHRA, proud of the racing programs we offer, and especially proud of the racing community that has supported Mason Dixon Dragway throughout the years.

To every racer, crew member, spectator, sponsor, and employee who has been part of our history—

THANK YOU.

I look forward to seeing everyone at the starting line for another great season.
